SUBJECT:

Glossary of Intelligence Terms and Definitions Update

1. Per our conversation today, I have attached a copy of Appendix C of the Glossary of Intelligence Terms and Definitions which is under revision. As you will see, a number of the publications listed under the purview of DIA and/or the military services should be either updated or deleted. If you know of any other publications which contain significant lists of intelligence terms, please feel free to add them to the list. []

2. Unfortunately, we are under a rather strict deadline to accomplish the update. I realize that you will have to coordinate with a number of other offices but, if possible, I would appreciate a response by 9 September. If you have any questions, please feel free to call me at []
Thanks again for your assistance. []
